As Rwanda was thrown into chaos during the 1994 genocide, Rusesabagina, a hotel manager, turned the luxurious Hotel Milles Collines into a refuge for more than 1,200 Tutsi and moderate Hutu refugees, while fending off their would-be killers with a combination of diplomacy and deception. In *An Ordinary Man*, he tells the story of his childhood, retraces his accidental path to heroism, revisits the 100 days in which he was the only thing standing between his "guests" and a hideous death, and recounts his subsequent life as a refugee and activist.
