

Thanksgiving in Connecticut (A Romantic Comedy)

A Novella: Talented photographer Paige Coleman has stayed away from her beloved seaside Connecticut village of Stonington ever since being mortified by a viral YouTube video that captured her in the buff at the top of a whaling ship at Mystic Seaport. Now, four years later, Paige decides that the time has come to face up to her past when her quirky, eighty-six year old grandmother throws the mother of all Thanksgivings to celebrate her recent marriage to a younger man Ed Fenwick. But with hometown god and former flame Stanley Fenwick, grandson of the groom, sure to be a part of every event, Paige must now protect her heart as well as retain her sanity, even as her cougar-turned-matchmaker grandmother uses every resource at her disposal to rekindle old fires of passion. As Thanksgiving dinner looms, Paige must realize that the sacrifice of a little dignity is worth the home and family she has missed so much.
