Popular fiction author Sally John's first series The Other Way Home (more than 65,000 copies sold) comes to life with a fresh, new cover for a new audience of readers. In A Journey by Chance, the first book of the series, Dr. Gina Philips heads from Southern California to the tiny Midwest town of Valley Oaks for her cousin's wedding. Her plan to heal from a failed relationship and escape from a lost job is interrupted by the persistent attention of a local, Brady, and the quiriness of small town America. But just when Gina thinks she has the town figured out, a secret is revealed that will forever change her family and her relationship to the mysterious Brady. This novel of romance and healing turns first impressions on end as Gina finds inspiration in the faith of others and joy in her own growing relationship with the Lord.
