

Good Jeans: 10 Simple Truths about Feeling Great, Staying Sexy & Aging Agelessly

Diane Gilman, Home Shopping Networks #1 fashion personality, wants to help women reinvent and reinvigorate themselves as they approach the over-40 milestone, and beyond. Like so many women who enter the second half of their lives, Diane found herself trudging along, having lost the energy that defined her earlier life. Overweight and newly widowed, she was struggling with how society had defined her as well past her prime. But she rediscovered her passion, and totally invigorated her life. At the age of 60, she has become everything she had ever dreamed she™d be. Now she shares the 10 secrets she discovered for aging agelessly, and assures women that the later years can be a time of mind-expanding work, earth-moving love, foundation rocking sex, and soul-grabbing purpose.
