

# The Mystery of Hand Writing Analysis

The Mystery of Hand Writing Analysis by J. Harington Keene dives deep into Graphology, a study and analysis of handwriting. Discover how to recognize physical qualities and character indicated by writing through numerous examples of the entire alphabet. Our writing style depends on many factors. Some of them include our ego, difficulty of writing, the central nervous system, the neurophysiological mechanisms and much more. After taking all these things in consideration, J. Harington Keene gives the most probable physical and psychological description of the writer, giving you a chance to learn this analysis method yourself.
