

The Artists Way

Without The Artists Way, there would have been no Eat, Pray, Love.â€• â€”Elizabeth Gilbert The Artistâ€™s Way is the seminal book on the subject of creativity. An international bestseller, millions of readers have found it to be an invaluable guide to living the artistâ€™s life. Still as vital todayâ€™or perhaps even more soâ€™than it was when it was first published one decade ago, it is a powerfully provocative and inspiring work. In a new introduction to the book, Julia Cameron reflects upon the impact of The Artistâ€™s Way and describes the work she has done during the last decade and the new insights into the creative process that she has gained. Updated and expanded, this anniversary edition reframes The Artistâ€™s Way for a new century.
