Jack Who? Perfect Storms Jack Storm is more than a tour bus bang. Hes a secret to keep at all costs--except one. Marissa is a craps dealer, and in one quick second she never wants to remember, her life turns to crap. Her best friend convinces her the cure for a breakup is a hookup, and reluctantly, she heeds this advice. However, Jack (what was his name again?) is not the average girls revenge fling. Women throw themselves at Jack, toss their lingerie on the stage, and scream his name. Marissa has no idea of his public identity, and while she doesnt initially throw herself at him, she does go on to toss aside her lingerie and ultimately scream his name. Five minutes after parting, she holds no illusions about seeing him again, but does vow a new outlook on her life and herself. Five months later, Jack astounds her with an invitation to Los Angeles. Although Jack is now a star in her very non rock star fantasies, Marissa is concealing a huge secret that prevents her from accepting. Five years later, the secret comes out, and despite the conflicting emotions each feels toward the other, they must bridge their two worlds together. Jack Who? is a one night stand gone awry, and a couple who work together years later for a fix.

Weathering Jack Storm Falling in love with Jack was easy, but there is nothing easy about staying in love with this arrogant rock star while settling into a new life in Los Angeles. The epic story of Jack and Marissa continues. Marissa and Tristan in his life changed his outlook.

Jack feels needed. He welcomes the responsibility of a family. He embraces the love and companionship. Quickly, he whisks his son and the intriguing woman he had never forgotten to his home in LA. To Marissa, her future seems as mysterious as dusk's shimmering shadows beneath the surface of the luxurious guitar shaped pool. There is no doubt this could be her dream house, her dream life with the man she loves. Not so dreamy is all she is beginning to see packaged with him. The crazy hours of a very active life. The garbage behind the glam. Mostly, a moody and presumptuous rock star whose public persona is opposite of the sweet celebrity she fell for.

Snow Storms : A Wish on a Rock Star It all begins with one wrong wish on a star " a ROCK STAR. Jackal has retired but their fan base lives on. Jack and Marissa are still a super couple who see very little peace in public. Ready to live incog, they contemplate a move to Dallas's roots of the Loren family tree, and home of the family label. Christmas is coming, and Jack Junior is not the only one with a wish list. The Jackal fan site once had a Holiday tradition of indulging five lucky fans with a Christmas wish. This year, a fan manages to contact Jack with a very special wish. A wish that unearths a scandal Jack tried to leave in his past. When history begins repeating itself, he finds that the past is always a part of the present. But with one brightly wrapped present, will this particular part of his past forever change his future? To complicate matters, this Holiday Season, Marissa is hiding more than Christmas presents. For

starters, her complicated relationship with Jack's sister reaches a new level of craziness. Also, simmering beneath a Christmas colored surface is a psycho situation she cannot see coming. Jack and Marissa have always had a rocky relationship. Yet again, they have to stand strong. LA may be hot, but that doesn't mean there isn't plenty of snow.
