CASE FILE #1: Regina St. Lyons powers have been waning. Maybe she did betray love, but what else could a duped girl do? At the time, banishing hotter-than-thou Brock Aegis to the Middle Realm seemed like a good idea. But now Brock is back! CASE FILE #2: Benedict DeWin is practically wizard royalty” and as magically gifted as a stale loaf of bread. But then he meets Bryony Flynn, another magical failure-whose only gift is to make certain things grow. Not that Benedict is complaining! CASE FILE #3: Born to a family of seers and shamans, Siobhan Silverhawk has accepted her magicless lifestyle. But when she meets recent widower J. B. Pendleton, Siobhan figures she has magic enough to make a love potion”which seems to have worked a little too well!
