

Building an Import / Export Business

This bestselling, up-to-date guide shows you how to start your own import/export business, from researching a raw idea to a successful launch to ongoing, profitable business operations. Complete with real-life examples from importers and exporters, it helps you every step of the way, from targeting a market and preparing a business plan to dealing with foreign currencies, shipping procedures, customs requirements, and more. It also shares tips to help you take advantage of NAFTA and other trade pacts, plus online resources to help you start and grow your business.
