Excerpt from Military Chaplains Review, Vol. 1: Social Concern, November, 1972 The Military Chaplains Review is designed as a medium in which those interested in the military chaplaincy can share with chaplains the product of their experience and research. We welcome articles which are directly concerned with supporting and strengthening chaplains professionally. Preference will be given to those articles having lasting value as reference material. The Military Chaplains Review is published quarterly. The opinions reflected in each article are those of the author and do not necessarily reflect the views of the Chief of Chaplains or the Department of the Army. Articles should be submitted in duplicate, double spaced, to the Editor, Military Chaplains Review, United States Army Chaplain Board, Fort George G. Meade, Maryland 20755. Articles should be approximately 15 to 30 pages in length and, when appropriate, should be carefully footnoted. Use of funds for printing of this publication has been approved by Headquarters, Department of the Army, 7 September 1971.
