

No Reverse and Fast Forward Boxset

TOP 50 AMAZON BESTSELLER & TOP 10 NEW ADULT BESTSELLER A girl who needs to undo the past. A boy who wants to forget it. In love, there's no way back. There are so many ways to love, but there was only one way to love Cassie. Only one way Cassie could love. FIERCELY. I FIERCELY loved this story. Goodreads Top Reviewer BOOK 1 "NO REVERSE At high school in Steep Hill, Kansas, Cassie O'Malley and Josh MacBride were the poster couple for quarterback/cheerleader romance until they starred in their own tale of teen pregnancy. No need to say: their shotgun wedding was low-key. But when there was no baby anymore, they went their separate ways. Five years later, Josh has breezed through Georgetown and is about to finish his post-grad degree at Oxford University. He is set to join a lobbying group on Capitol Hill, owned by his new fiancé's father. For Josh, the sky is now the limit... only he must first take care of a tiny legal matter: technically, he's still married to the girl who broke his heart. Meanwhile, Cassie has been waiting tables in Steep Hill to pay for her sick grandmother's care. On the day of the old lady's funeral, Cassie is served with two sets of papers. Josh is asking for a divorce. Her heart squeezes, but, well, he moved on a long time ago. But the second envelope shakes Cassie to the core. So, for the first time, she leaves Kansas and heads to good ol' England. There,

Cassie finds that Josh has not just moved on, he's freakin' engaged to some blue-blooded heiress. The feelings Cassie had buried deep rush back to her. But no matter if he keeps thrusting the divorce papers under her nose, she needs him to save the only person she loves more than Josh, more than life itself... BOOK 2 "FAST FORWARD" Cassie learned the hard way: Love forgives... in the end. In No Reverse, Josh and Cassie's epic love story went from the brink of destruction to a fragile new beginning. Now they must mend their broken family and win back the son they gave up five years ago. But second chances need to be earned and the road ahead is rocky. With Cassie on tour and Josh trying his hand at a political career, the struggle becomes clear. When the adoption takes a bad turn, Cassie and Josh are prepared to give up everything for the fight of their lives. Will this young family finally heal the years of heartache, or will they be torn apart for good? I fell in love with their relationship. Schmexy Book Blog I relished this story. Good Choice Reading It is a feel book. The Autumn Review I'd categorize her writing in those with whom I consider to be an elite league of authors like Taryn Fisher, Fisher Amelie, J.A. Redmerski, Laura Spinella, K.A. Tucker and a many others that can write a story that not only has you hooked to the edge of your seat but that makes you seriously think and feel. N.A. Book Addict
