Reunited with his wife and a huge surprise, but also a secret that threatens to end all hope of a happy ever after Ranchers wife, feisty Gretchen Sinclair was forced by a desperate plea from a beloved relative to leave her new husband the day after their wedding. Gretchen had to agree to keep the reason for her absence a secret from everyone she knew. Even her dear husband, Hunter. When Gretchen eventually returns to Hunter she brings the biggest surprise imaginable. Their own two beautiful twin babies. Wealthy ranch owner Hunter Sinclair is ecstatic that the wife who mysteriously left him the day after their wedding is finally back in his arms. But what is the secret she's holding back? Even with the support of their friends Trent and Chloe McIntyre the newly reunited couple are going to need all the help they can get if they are to overcome their difficulties and claim their second chance at love. Can they build a future with their beautiful twins on the family's Montana ranch? \*\*Warning\*\* This book contains some serious themes that make it less sweet than previous titles in the series
