This is the first book of the EXPLICIT Series another wild and wicked story with a delicious mix of romance and deep passion by Katelyn Skye. Jennifer finds herself caught up in a ridiculous dare: to go up to a man, chosen by her friends, and kiss him on the cheek. On the rebound this is exactly the excitement she needs. The man's name is Nathan Clifford, and his confidence immediately has her hooked. When she tries to pull back, just as the kiss explodes with euphoria, she finds a part of her that's eager to do nothing but drown her worries in this man's arms. She wants passion—hot, wild passion—that will make her feel wanted and desired again. Nathan is used to having women fling themselves at him, and he's also used to avoiding them, though dark-haired Jennifer is different. But will their electric chemistry go any further than the crowded club? Will Jennifer fulfill his vivid fantasies of her pleading and begging him for release, kneeling before him? And when Nathan comes to her with his expectations, will Jennifer flinch at what it takes to be his submissive?
