

The Wisdom of Midlife Women 2

Feminine Wisdom Three time best-selling publisher Linda Joy brings you a sacred collection of stories from thirty remarkable women who found the courage to change things up midlife and blaze a new trail to authentic living. In *The Wisdom of Midlife Women 2*, each author openly shares her intimate story of midlife transformation and the lessons learned along the way to inspire women on the midlife path of self-discovery and remind them of their own sacred wisdom.

No matter where you are on your midlife journey, this heartfelt compilation of stories will provide you with deeply profound inspiration and a valuable reminder that every challenge in your life is an opportunity for self-discovery and transformation. You will be treated to thirty sincere and transparent stories that will illuminate the wisdom that comes with entering the sacred ground that is midlife.

Staying true to Inspired Living Publishing's Authentic Storytelling model each story is followed by insightful journal prompts to guide you deeper into your own truth and wisdom.
