

The Rights and Duties of Muslim Women In Islam

The content of the book is aimed at enlightening the people (in general) and women (in particular) about the role of women in society. The principles laid down in Islam have not been clearly communicated or narrated in many instances. The book comes out to bridge the gap between knowledge and its proper communication. The purpose of the book is to discuss the issues with a wider aspect and hence paving the way for clear guidance. Darussalam Publishers hope that this book by Abdul Ghaffar Hasan will help the people understand about this sensitive subject and facilitate our Muslim brothers and sisters thereby serving humanity for greater good.
