

# The Growth Mindset Coach: A Teachers Month-by-Month Handbook for Empowering Students to Achieve

A complete and easy-to-follow guide for inspiring every student with the power of growth mindset. Many students feel they are bad in some areas, like math or science, and good in others, like reading and writing. The Growth Mindset Coach shows teachers why they can throw that myth out the window. Includes detailed lesson plans, hands-on activities, discussion points for talking with parents, and daily keywords, this helpful tool offers a monthly planner for making any classroom a positive, growth mindset environment. Its a step-by-step guide for empowering students to excel in all areas. Based on decades of research, the psychology of mindset is the hottest topic of discussion among educators everywhere. Studies show that students in classrooms with growth mindset have higher classroom engagement and increased GPAs. The Growth Mindset Coach breaks down the research and studies to offer an accessible, practical tool for teachers to use immediately. From detailed lesson plans in various subjects to crucial encouraging words and phrases, The Growth Mindset Coach outlines a new set of skills and strategies that helps students realize their own potential, work harder, and accomplish more.
