When Victoria Barclay, privileged daughter of the Viscount Grantham, has a life-altering experience as a young girl, it sets the course for the rest of her life. She is determined to make a difference in the world, no matter the consequence, and becomes a highwaymanâ€™or woman, as it wereâ€™robbing the rich and donating her pilfered gains to the poor. Life-long friend and neighbor, Phineas Dartwell, Earl of Leyburn, suspects his dear friend is up to no good. Sheâ€™s become evasive, and even worse, he cares that sheâ€™s become evasive. When she refuses to confide in him, claiming itâ€™s for his own good, he severs the friendship out of wounded pride and a wounded heart. But when Victoriaâ€™s activities are brought to light in the eyes of the magistrate, Phineas must find a way to acquit his friendâ€™and dare he hope, future wife?â€™of the charges. The Gypsy Bride, Book 2 -- Engaged to a reprehensible baron, Bianca Manning knows she must do something to escape her fate. She decides that a Romany camp is the last place her mad fiance would think to look for her. The last thing Emilian Carrol needs is a spirited Englishwoman in his life, but he cant seem to say no when she begs to hide out in his tribes camp. And maybe shes just the thing he needs to help heal his wounded heart. Thomas Barclay, future Viscount Grantham, is bored to tears and looking for a

distraction. When his old friend Baron Tisbury asks for help in tracking down his missing fiancée, Tom decides to make himself useful and goes in search of the wayward girl. Caught between two worlds, Bianca must figure out which man holds the keys to her heart. The Stage Bride, Book 3... Thomas Barclay has had a rough year, to say the least. After being jilted by the only woman he ever loved, he's sworn off love for good, along with any semblance of respectability, by attempting to drink away his sorrows. However, when his meddling sister sends him off to the country to pull himself together once and for all, he finds himself trapped with the most vexing and obstinate creature he's ever been forced to encounter. Amelia Harding has more than overstayed her welcome at Ms. Denbys School for Girls. At the ripe age of eighteen, she's finally being forced to enter the marriage mart, which also means returning to her father--a prospect she refuses to even entertain. So she decides to run away to London to pursue a life on the stage. Unfortunately, her plans go awry and she finds herself in a carriage bound for the country in the company of a drunkard. A handsome drunkard, but a drunkard, nonetheless. Now they both must decide if they will continue to let their pasts define them, or if they will start anew in each other's arms.
