

Celebrate The Older You

With warmth and wisdom Jo Schlehofer shares the insights she has gained as a counselor and educator working with mature women. *Celebrate the Older You* helps us articulate and begin to answer the new questions we face at this time of our lives: How do I take better care of myself? How can I balance complex relationships with my spouse, adult children, and aging parents? How can I cope with loss and grief? How should I deal with financial pressures? How do I nurture my unique gifts? Using anecdotes and examples drawn from her clinical practice, Jo sheds new light on the everyday issues we face as we mature. She offers practical insights to help us meet these challenges one step at a time using reflections, questions, exercises, and guided meditations. Jo's encouraging guidance enables us to cope with change and look forward to years ahead with confidence.
