

Alphas: A Stepbrother Romance Collection

A collection of three of Kristianna's hottest stepbrother stories, featuring alpha stepbrothers who aren't afraid to claim the stepsisters they love, no matter how forbidden. Declan's plan to seduce Lia for revenge goes awry in "Revenge." Ambra hasn't seen Ethan for three years, but that doesn't keep him from kidnapping her away from her engagement party to be "Claimed" by her billionaire stepbrother. Knox tried to shield Claire from his darker urges and need to own her, but her teasing has pushed him to the edge. She's about to find out what it means to be "Owned."
