

Heat Wave: Rex On The Beach//Getting Into Trouble//Shaken And Stirred

A little con Investigator Lucy Bell is looking for a runaway groom. Fortunately, the almost-best-man (whos tastier than a double chocolate cheesecake) likely knows where he is. All Lucy needs is a little deceptionâ€”and a whole lot of hot n sweaty persuasion! A little magic Single mom Allie Cavanaugh has played nice with others for too long. Then Allie finds herself kissing a powerfully magnetic hypnotist at a carnivalâ€”in front of an audience! Sure, maybe shes mesmerized, or maybe the real Allie is finally waking upâ€”. And a little late-night mischief! Abby Weaver abandons the cool haven of her pharmaceutical basement for a girls-only week of sun, sand and fruity drinks. That was the planâ€”until Abby finds herself going solo. But the beach is a funny placeâ€”you never know just what (or who!) will wash up onshoreâ€”.
