I couldn't let her disappear from my life like that. I wanted more of her. From New York Times and USA Today Bestselling Author Liliana Rhodes Amazon Kindle Top 25 -- November 2015 When down on her luck curvy Ashley Monroe takes a waitressing job at an event at the Boone Art Gallery, she's told one thing--stay away from the mysterious and brooding man sitting by himself. Easier said than done for Ashley who finds herself inexplicably drawn to the gorgeous stranger. She decides to spend the evening doing things she normally wouldn't--like letting herself be seduced by this enigmatic man she only knows as Xander--and unknowingly opens her world up to the lavish lifestyle of beautiful mansions, fast cars, and expensive clothes, because when billionaire Xander Boone wants something, he gets it. Meanwhile, Samantha Mayfair has known billionaire playboy Drake Winslow her entire life and despises him...mostly. Growing up as the daughter of his nanny, they lived in two different worlds under the same roof. Samantha knows Drake would never fall for a girl like her, but when she catches his eye, are his plans to add another notch to his bedpost, or is he really ready to change his ways?
