

No Way Out: GST (Stand with You Forever series Book 2)

Shuffled around by a family that doesn't want anything to do with him, Uncle Don sends Gianni back to Italy with Lorenz. Lorenz isn't the greatest role model. He's a hit man, a killer for hire, and in the past he's let Gianni drink, smoke and drive a car all under age, not to mention his other sinful attractions. But he's all Gianni's got left. Lorenz vows to reform some of his ways and be a "good uncle". He takes Gianni to Milan, Italy where he shows him the ways of the family business. Time passes and he's no longer a child but Gianni hasn't forgotten what happened with Dante and Joseph. In fact, Dante remains his prime target and Joseph never leaves his mind. When the opportunity arises to return to Manhattan, Gianni looks for his friend and discovers things are worse than he imagined.
