

Blessings of The Heart (Mills & Boon Love Inspired)

Writer Brianna Walker had moved to the Arkansas hills for a little peace and quiet. But the stormy night a handsome man, two bedraggled boys and a scruffy dog washed up in her front yard, Bree's peaceful and quiet life became a thing of the past. Homeless after their cabin floated away in the rain, single dad Mitch Fowler and his two young sons had no choice but to seek shelter at their closest neighbor's home. And it didn't take the boys long to find their way into Bree's warm and caring heart. But could Mitch ever convince Bree to take a chance on a ready-made family and make that fateful storm the answer to everyone's prayers?
