

My First Sikh Books

This is a packaged board book collection that includes My First Sikh Boy Book and My First Sikh Girl Book and coloring books for each of these titles in an easy to carry boxed set with handle. These books are designed for parents of toddlers and early reading young children to gain awareness of the Sikh identity and values. They are richly illustrated to show images of young Sikhs living with Sikh ideals. These books are perfect for families with young Sikh children or for giving to non-Sikhs who want to gain a better understanding of basic Sikh ideals. They are also good to share in schools and libraries to foster greater awareness in communities where young Sikhs are growing.
