

Wolfs Honor (Caedmon Wolves Book 6)

Wolf shifter Connor Maxim is a law-abiding citizen. His motto: Keep the peace. Protect the Pack. His firm, Maxim Securities, had been created for this purpose. His honor will be tested when heâ€™s called to deliver on his vows. The homicide rate escalates to an all-time high on Pack territory, and all evidence points to two prevalent wolf Packs: the Caedmon and the Arnou. The Feds give the leaders of both Packs an ultimatum, and a three-day deadline. They must find the source of the murders before the Feds intervene. When a police raid goes awry, Connorâ€™s world collides with that of Antonia Trudeauâ€™s. Under the guise of a striking spitfire of a womanâ€™ who happens to be his mateâ€™ is a criminal with a healthy rap sheet. He must decide if love is worth more than duty and honor. Antonia circumvents more than just the lawsâ€™ she captures Connorâ€™s heart.
