

Magic & Mischief

Homoerotic stories involving griffons, demons, dragons, wizards, and thieves. In *The Dragons Treasure*, a dragon obsessed with cleanliness quietly pines over a regular customer to his shop. In *The Selkie No One Wanted*, a selkie who is nothing like his beautiful siblings winds up helping the fisherman he has long admired. A demon finds himself dealing with two troublesome humans in *The Spawn*, and in *Mad Finnegan*, a mad wizard reunites with the person who first drove him into the madness that has made him infamous. A young chef winds up with an unusual assistant in *Dragon Stew* and a man finds that life has not quite yet passed him by in *The Innkeepers Story*. *The Quest* sends a loud-mouthed demon to earn the affections of a mate who does not want him, and in *Spellbound* a talented thief longs to find a way to steal the heart of his latest client. Warning! The story *Mad Finnegan* contains incest.
