

STEAMY ROMANCE NOVELS: Dating An Older Man Amelias Agenda (Romance Stories) (A Neighborly Affair Book 2)

David Allens steamy romantic obsession with Amelia Harding is out of control. Even as he tries to pull away, he begins to see her everywhere. He senses something isn't right with the college student, and as their relationship turns into a risky older man, younger woman relationship game of domination and submission sex, he wonders whether he can really trust her. His feelings become justified as he discovers that Amelia is harboring her own dark secret, and he may be her only hope at salvation. But as David's preoccupation with Amelia continues to grow, he begins to realize that he's willing to risk everything to protect her. The only question, is she willing to accept his help at all?
