

# Fix Your Payroll Tax Debt: Get a Brand New Business Life with No Tax Problems AND a Clean Slate with the IRS

Past due payroll taxes can wreak havoc on a business. In this short book, renown expert R.S. Jones, walks business owners and responsible persons through the process of managing past due payroll tax debt owed to the IRS. His experience, unique insights, and entertaining and easy to read writing style guides readers through what to expect, answering the tough questions, and determining a viable solution. Small to medium sized business owners currently faced with adverse collection action by the IRS such as, federal tax liens, asset and bank account seizures or the presence of a Revenue Officer, will find the knowledge regarding their rights and their options in this book invaluable. Throughout the book the author shows his understanding of the business owner mindset and communicates in their language, right down to the fact that the book contains a ton of information in a quick read format because he understands how busy business owners and operators can be, limiting the amount of free time they have to read.
