

## The Arabian Nights Entertainments

The Arabian Nights Entertainments (1898) Selected and Edited by Andrew Lang; generously Illustrated By Rene Bull and H. J. Ford. Andrew Lang is best known as one of the most important collectors of folk and fairy tales. The twelve fairy tale books he edited contain stories from around the world, collected from various sources, and translated mainly by his wife and other enthusiasts. The stories in the Fairy Books have generally been such as old women in country places tell to their grandchildren. Nobody knows how old they are, or who told them first. The children of Ham, Shem and Japhet may have listened to them in the Ark, on wet days. Hector's little boy may have heard them in Troy Town, for it is certain that Homer knew them, and that some of them were written down in Egypt about the time of Moses. Includes: The Seven Voyages of Sindbad the Sailor; The Story of Ali Baba and The Forty Thieves; Aladdin and the Wonderful Lamp and many many more...
