From bestselling author, Liz Matis, comes the box set of the popular Fantasy Football Romance series! Includes the award-winning and #1 bestseller in Sports Fiction, *Playing For Keeps*, along with *Going For It* - also a #1 bestseller in Sports Fiction, *Huddle Up*, and *The Quarterback Sneak*, which also reached #1. Has over 600 four and five stars reviews on Goodreads! *Playing For Keeps* - Season 1: Journalist Samantha Jameson always wanted to be one of the boys, but Ryan Terrell won't let her join the club. Fresh from the battlegrounds of Iraq, reporting on a bunch of overgrown boys playing pro football is just the change of scenery she needs. If trying to be taken seriously in the world of sports writing wasn't hard enough, Ryan, her college crush, is only making it harder. As a tight-end for the team she's covering, he is strictly off limits. Ryan Terrell is a playmaker on and off the field, but when Samantha uncovers his moves, he throws out the playbook. Just as he claims his sweetest victory, Samantha's investigation into a steroid scandal involving his team forces him to call a time-out to their off the record trysts. But then a life threatening injury on the field will force them both to decide just how far they'll go to win the game. Winner of the NECRWA First Kiss Contest. Became a Kindle Bestseller when it reached #26 in the overall Kindle store. *Going For It* - Season 2: Pro football player Jake Miller's game plan for winning back supermodel Hannah Hahn is play

action in the bedroom. Once he sees beyond the swimsuits and lingerie, feelings of love blindsides him, changing the rules of the game. Hannah owns the runway, but that success came with a price and a secret that she kept her from trusting a man until Jake crashes through her defenses. The paparazzi love the beauty and the beast couple but the tabloid rumors turn ugly and test the fragile trust between them. Then Hannah loses an ad campaign to fashion's new "it" girl. Her desperate reaction will cause Jake to challenge everything she's ever believed about herself.

Huddle Up - Season 3: When Angel O'Malley is left penniless by her deceased father's gambling debts, she is forced to sue pro football player Billy Burner for child support. Blindsided with a five-year-old daughter, he tackles fatherhood with the same commitment he gives to the game, but he has his eye on a bigger prize: Angel's heart. She agrees to Billy's plan to play house to ensure the new father makes no rookie mistakes. Though their passions burn hotter than ever they must overcome old betrayals, past hurts, and new insecurities if they are to prevent history from repeating itself. Can a long ago summer love turn into an everlasting one?

The Quarterback Sneak - Season 4: A recovering alcoholic, football player Liam McQueen seeks redemption on and off the field. So when the team's owner, the man who gave him a shot at a comeback, demands that Liam pretend to be engaged to his wayward daughter, the reformed bad boy feels he can't refuse. After violating her probation, heiress Hayden

Middleton must prove to the court she's changed her wild ways. To appease the judge, the tabloid queen agrees to a fake engagement, but there's nothing fake about the heat that sizzles between her and her father's saintly star quarterback. Mastering the sex playbook isn't a problem for this wild couple. Outside the bedroom, this mismatched pair must plan a game strategy to confront their demons if their temporary arrangement has any chance of going long. Will love come into play as the sinner and the saint go head to head?
