

## Sabine (Portuguese Edition)

Em uma cidade do interior de São Paulo, Stefano é afligido por um câncer terminal que o mantém em uma cama de hospital. Em um fôlego de esperança sua irmã Daniela viaja até a cidade de Gramado, onde há notícias de um menino que opera milagres e é conhecido como a reencarnação de Jesus Cristo. Ao chegar vê a dimensão da coisa toda. O pequeno Cristo chamado de Nanni e é muito diferente de qualquer curandeiro ou pastor mirim que Daniela havia visto. Seus milagres e curas são a base de um novo movimento, uma nova religião e um novo cristianismo. Daniela sabe que a volta de Jesus implica na confirmação do apocalipse de João e implica na ascensão do anticristo e no fim do mundo como conhecemos. A hora do julgamento talvez esteja mesmo se aproximando para Daniela... Resta a ela saber de que lado está.
