

Life in the Fast Lane

Life in the Fast Lane gives a fascinating and revealing insight into the inner sanctum of the most enigmatic team in Formula One. Eddie talks frankly about his colleagues, the Formula One lifestyle, the drivers regime, his family. This book captures the true essence of the gruelling yet glamorous lifestyle of a Formula One driver. It candidly looks at the trappings of Formula One, the models, the planes, the boats, the cars and the houses but at the same time gives an honest portrait of the man behind the playboy image. Controversial, fast-living, outspoken and charismatic, this is Eddie Irvine at his finest.
