

Kiss Of Fire (Imdalind Series Book 1)

Some people say love is perfect. But, I know the truth. Love is dangerous, and sometimes love can change your life, or end it. Joclyn Despain has been marred by a brand on her skin. She doesn't know why the mark appeared on her neck, but she doesn't want anyone to see it, including her best friend Ryland, who knows everything else about her. The scar is the reason she hides herself behind baggy clothes, and won't let the idea of kissing Ryland enter her mind, no matter how much she wants to. The scar is the reason she is being hunted. If only she knew that she was. If only she had known that the cursed stone her estranged father sent for her 16th birthday would trigger a change in her. Now, she is being stalked by a tall blonde man, and is miraculously throwing her high school bully ten feet in the air. Joclyn attempts to find some answers and the courage to follow her heart. When Ryland finds her scar; only he knows what it means, and who will kill her because of it. Kiss of Fire is a Clean Young-Adult Paranormal Romance Language: Low to None Violence: Mild to Moderate Sexual Content: Low to None
