

Twelve Days Of Faery (Shards Of A Broken Sword Book 1)

In *Twelve Days Of Faery*, King Markon of Montalier is at the end of his tether. His son, Prince Parrin, is afflicted with a rather nasty curse that slaughters, maims, or brutally attacks any woman with whom he so much as flirts. After the rumour that sweeps around the kingdom, promising that any woman breaking the "curse"™ will be eligible to marry the prince, there is no shortage of willing volunteers. Unfortunately, there is also no shortage of bodies piling up. Markon needs to do something, but what? Can a visiting enchantress from Avernse help, or is she simply another accident waiting to happen? And will Markon be able to give her up to his son if she does break the curse? *Twelve Days of Faery* is the first novella in the *Shards Of A Broken Sword* novella trilogy.
