Gender Equity in Islam - This popular book examines the spiritual, social, and economic aspects of women's position in Islam and, in doing so, effectively summarizes the role of women in Muslim society. Further, in explaining the sources that provide the foundation for Islam's stance on gender equity, the author discusses the role of Islamic scholars in their approach to women's issues. The book presents an overview of the status and rights of Muslim women as defined by the Quran and Sunnah.
