

Expensive Tax Mistakes That Cost Small Business Owners Thousands

As a small business owner taxes are something you dread. Your throat tightens; your blood races and that feeling of impending doom descends. For you know that if one thing on your tax return is not correct, that IRS nasty gram will be looming among the letters, junk mail, and bills inside your mailbox. The IRS is in the business of taxing you and collecting it. They may make an attempt to be fair, but do you really believe they are on your side? It is your own responsibility to ensure that you pay your fair share and only your fair share. This book will outline the many tax mistakes small business owners make year after year and provide ways to stop making those mistakes, keeping your hard earned money in your pocket. Small business owners can gain insight regarding:

- Warning: You're Losing Money by Not Understanding How Taxes Work
- How Failing to Plan Can Ruin Your Tax Season
