

# The Jesus Storybook Bible: Every Story Whispers His Name

The Moonbeam Award Gold Medal Winner in the religion category, The Jesus Storybook Bible tells the Story beneath all the stories in the Bible. At the center of the Story is a baby, the child upon whom everything will depend. Every story whispers his name. From Noah to Moses to the great King David---every story points to him. He is like the missing piece in a puzzle---the piece that makes all the other pieces fit together. From the Old Testament through the New Testament, as the Story unfolds, children will pick up the clues and piece together the puzzle. A Bible like no other, The Jesus Storybook Bible invites children to join in the greatest of all adventures, to discover for themselves that Jesus is at the center of Gods great story of salvation---and at the center of their Story too.
