

The Infiltrator: My Secret Life Inside the Dirty Banks Behind Pablo Escobars Medellín Cartel

Robert Mazur spent years undercover infiltrating the Medellín Cartels criminal hierarchy. The dirty bankers and businessmen he befriended—some of whom still shape power across the globe—knew him as Bob Musella, a wealthy, mob-connected big shot living the good life. Together they partied in \$1,000-per-night hotel suites, drank bottles of the world's finest champagne, drove Rolls-Royce convertibles, and flew in private jets. But under Mazur's Armani suits and in his Renwick briefcase, recorders whirred silently, capturing the damning evidence of their crimes. *The Infiltrator* is the story of how Mazur helped bring down the unscrupulous bankers who manipulated complex international finance systems to serve drug lords, corrupt politicians, tax cheats, and terrorists. It is a shocking chronicle of the rise and fall of one of the biggest and most intricate money-laundering operations of all time—an enterprise that cleaned and moved hundreds of millions of dollars a year. Filled with dangerous lies, near misses, and harrowing escapes, *The Infiltrator* is as bracing and explosive as the greatest fiction thrillers—only it's all true.
