

Office Scandals: The Petrelli Heir / Gilded Secrets / An Inconvenient Affair (Mills & Boon M&B)

The Petrelli Heir Interior designer Isabel Carter has been offered her dream job. But it comes with a catch: her new employer is Roman Petrelli. Three years ago, one scorching night with brooding Roman came with consequences—and now, Roman is determined to claim his heir by any means necessary! Gilded Secrets When scandal threatens the luxury auction house that bears his family's name, Vance Waverly can't help suspecting that his gorgeous assistant, Charlotte Potter, could be involved. And there's one way to find out: seduce the truth out of her! An Inconvenient Affair To clear her name, events planner Hillary has agreed to go undercover as brooding billionaire Troy Donovan's date. The stakes are high and Hillary knows she needs to focus on the job. But Troy's kisses are like molten sin—and being sensible in the face of such desire is simply not an option!
