This 7,900 word novelette contains powerful Christian influences, love, family and other related themes meant to make you smile! The Western Groom: Penny Wise And Pound Foolish, is the story of a trading post operator and a bible salesman. When her Uncle Joe is killed, Penny is left to handle the trading post in a fairly remote area of Colorado. Her store was robbed and she's on the edge of a breakdown and she's lost most of her faith when a bible salesman she is acquainted with, stops by. He stays for a while, then much longer, and helps her get the store back on its feet. A romance develops but the salesman is aware of what folks might think so he stays a little distant. After helping with some dire events that happen later, they weather the Colorado winter together, hoping that God will protect them through the biting coldness of snow and heavy blizzards, as well as their undeniable attraction to each other.
