

When Angels Purr: A Veterinarians Book of Comfort & Healing Over the Loss of a Feline Friend

Losing a cat companion affects us deeply. You will forever remember the final goodbye to your friend and pet. It is always a difficult and emotional time, and one that needs the right touch of hand and paw holding, and a celebration of the joy they brought into your life. When Angels Purr is written by Dr. Sherry Zenor, a feline exclusive Veterinarian, who has helped many cats cross the Rainbow Bridge, and offered comfort to their human companions in the process. It is dedicated to those cat friends who shared their life and love with us. Illustrated, with messages of love and celebration, it will be a help to anyone who has lost a pet and friend. "The book is beautiful! I thank you so much for giving me the opportunity to see it. Your love of cats has always come shining through. This book just confirms that I still have tears and miss Woodie so much but am finding joy in remembering him." Thank you so much for sharing this book. It is a treasure I shall keep. • Bonnie and Don
