

Flash Point (In a Heartbeat Book 2)

Terri Schuman risks her life to save others on a daily basis. As a Chicago paramedic, she works round-the-clock shifts that are often filled with life-and-death moments. Yet she doesn't see herself as a heroine...just a woman dedicated to a job she loves. And after Lieutenant Gabe Andrews, a firefighter from another unit, manages to catch her attention, her dedication to him becomes just as intense. But when a flash point of circumstances suddenly changes her life, Terri must come face-to-face with the fragile self-confidence she displays to the world. Suddenly unsure about Gabe and his feelings for her, will Terri turn to the One who sees behind the mask she wears and trust Him to heal her heart?
