

# A Different Night, The Family Participation Haggadah

This is the haggadah that has changed the American seder. First published in 1997, its a full traditional seder, but with large amounts of art and commentaries, and discussion starters -- all in a user-friendly format that makes it easy to customize your seder. The Four Children section (with 20 representations going back to 1526) is already a classic. Easy-to-follow instructions make this book accessible to even a novice seder leader; and the many short commentaries will enrich anyones Passover. Now in a new edition, with an added 32 pages of Passover stories.
