

How To Woo... A Reluctant Bride

4 Angels...â€•a scintillating mix of lust and sexual exploration... Ms. Lamont has done a very nice job of bringing a bit of the exotic into her writing.â€• - Dawnie, Fallen Angel Reviews

A marriage contract, nothing more...until darkly handsome Evan Channing and demure Lydia Blatchford meet. Yet the rules are simple for an arrangement such as theirs. There should be no misunderstanding, no illusions of anything more. But the rules are about to change. Lydia wants the kind of love and romance she reads about in books. Fortunately, she hasn't specified which book, and Evan has a copy of Richard Burton's new translation of the Kama Sutra, with its ancient wisdom on love and courtship. Evan sets out to win his high-born bride, blending seductive heat with exotic lessons in love-making. Lydia is prepared to tolerate this man sheâ€™s been sold to, but his scorching kisses send her pulses racing. Can an arranged marriage lead to love? (Previously published under the title *Loveâ€™ By the Book*) ** Includes an excerpt from *A Marquess for Christmas* by Vivienne Westlake. Disclaimer: This is a short 30 page romantic short story with bonus material** It is not a full-length novel. Contains scenes of Victorians breaking society's rules, marital sex and ancient wisdom from the Kama Sutra.
