

Chunnel Surfer II

A town mysteriously empty except for silent, lumbering horrors and a teenager with a secret; a coven of witches trying to survive on a battleship; a dragon in the grass; a house with a few extra rooms; a game of zombie that gets a little out of hand; a man who keeps his town whole by walking; a haunted library; a world shattered by a cosmic accident; fairies, ogres, grandmothers, cats, hustlers, vampires, detectives, queens, murderers, time travelers; poetry, drama, comedy, mystery, biography, video game, horror! Life happens as a series of seemingly unconnected events. Fiction however has to make sense. Until now. Chunnel Surf the realities of a cast of thousands in this novel that dares to tamper with the rules -- or reality itself. Take care, one of the cast just might be YOU. --- This book is not for children. It might even be dangerous. This book is not a sequel.
