

Rewriting Your Happily Ever After: A Midlife Divorce Survival Guide for Modern Women

Although you are never prepared to deal with the stress, trauma, upheaval and changes caused by the end of a marriage, particularly a long-term one, you can, and will, survive your midlife divorce! This guide will help you start the transition from being married to single and from being bitter to better. Whether you are facing the first few days of the divorce or you're already picking up the pieces and moving on, this will become your source to rebuild your life, handle the many challenges that come with change, and rise above the situation. Gain a better understanding of midlife divorce and learn how to let go of the anger, hurt, and blame, and start looking at your divorce not as an end, but as a new beginning for you. Change your negative thinking, improve your self-esteem, increase your confidence, and start rewriting your happily ever after today!
