

The Proposal Book 2 (Submissive Romance)

Brooke is too much of a coward to admit that she had liked playing the part of a sub for Chris. However, his close proximity is crippling her will to fight. After Chris took his kinky interests too far, Brooke's anger at herself keeps her on edge. She can't admit that she liked being spanked, and her denial is just amusing the man who was responsible. He knows that somewhere deep inside, Brooke is leaning toward him toward being his Sub. This ebook contains very hot descriptions of romantic activity. Only mature readers should download this book.
