

My Tax Tutor for Small Business Owners - 2012: What Every Small Business Owner Should Know About Their Taxes

Tax saving tips, tricks and strategies for the small business owner. Small business owners overpay their taxes to the tune of \$160 billion dollars a year primarily because they don't know what they can deduct. My Tax Tutor is designed to provide the small business owner with a tax deduction checklist along with explanations of how each deduction works along with any limitations on that deduction. Deductions are listed in alphabetical order so you can go back to the book again and again to check the rules. A must have for any small business owner. Don't give the government any more money than you are legally obligated to. Written in an easy to read and understand manner - no legalese here - by a CPA with over 20 years experience in small business taxes. Updated for 2012 to include tax changes made in 2010 and 2011
