

The DeLuca Brothers Series: Books 1-5 (The DeLuca Brothers Series Boxset)

Fall in love with the DeLuca brothers! With over 100 5-star reviews, the brash and powerful DeLuca brothers have won the hearts of thousands. Now all five books are available at 50% off in this limited time bundle!

One Step Closer: Book 1 Ten years. That's how long it's been since Frank DeLuca left home to make something of himself. And he did. But in doing so he left behind the only woman he's ever loved. And still loves. Now, Frank wants her back. But there are obstacles in the way. Least of which is the woman herself. Sofia Bianchi never stopped loving the boy who left a decade ago. And now she finds herself unable to resist the man standing before her. She knows she must, though. Despite the fire that burns for Frank, she now has a son to care for and protect from the same heartbreak she felt ten years ago, and every day since.

Now Or Never: Book 2 Anthony DeLuca. Black Sheep of the family. Brash, powerful and dangerous. Relationships were an afterthought to a man like Anthony, a guy caught up in the criminal underworld. Until he meets his match in Cecile MacDouglas. Polar opposites in every way but one, an unlikely relationship blossoms. But what will happen when she uncovers the true Anthony DeLuca? And will Anthony run when he discovers Cecile's secret?

Unintended: Book 3 In most families, the sibling who became an FBI agent would be looked up to by the others. But in the DeLuca family, where mafia ties run deep, middle child Vincent DeLuca was something of a black

sheep. But even good boys can be bad. And when Laurel steps into his life, Vincent finds he's not that different from his brothers after all. Sergio: Book 4 Sergio DeLuca had never lacked for ambition. Or a woman to share his bed. But while the ambition remained a constant, the ladies changed quite frequently. An up-and-coming ER pediatrician, Sergio hadn't the time for a relationship. And then he met Kate... Surreal Book 5 Salvatore DeLuca understands strength, desire, dedication, and success. After all, he'd been raised by his four older brothers... Men who were the definition of those traits.

But there was one trait that embodied the DeLuca men that escaped Salvatore's grasp. Passion. Until he meets Daniella.
