

Conscious Uncoupling: 5 Steps to Living Happily Even After

And Then They Lived Happily— We enter our romantic relationships with great love, hope, and excitement—weve found the one, so we plan and forge our futures together. But sometimes, for many different reasons, relationships come undone; they dont work out. Commonly, we view this as a personal failure, rather than an opportunity. And instead of honoring what we once meant to each other, we hoard bitterness and anger, stewing in shame and resentment. Sometimes even lashing out in destructive and hurtful ways, despite the fact that weâ€™re good people at heart. Thats natural: were almost biologically primed to respond this way. Yet there is another path to the end of a relationship—one filled with mutual respect, kindness, and deep caring. Katherine Woodward Thomass groundbreaking method, Conscious Uncoupling, provides the valuable skills and tools for you to travel this challenging terrain with these five thoughtful and thought-provoking steps: Step 1: Find Emotional Freedom Step 2: Reclaim Your Power and Your Life Step 3: Break the Pattern, Heal Your Heart Step 4: Become a Love Alchemist Step 5: Create Your Happy Even After Life This paradigm-shifting guide will steer you away from a bitter end and toward a new life thatâ€™s empowered and flourishing.
